ON-LINE SALE

April 20th & 21st

**SELLING 40 REG. HAMPSHIRE YEARLING EWES + EWE LAMBS,
AND A FEW SELECT MARKET LAMBS Sired BY CABANISS & ELLERBROCK RAMS!**

In 2009 we lambed out our ewe flock, then sold the QR & RR brood ewes to the Spoonster Family of Missouri. We wish them the best of luck with this addition to their flock.

We are growing out 45 coming yearling ewes out of these brood ewes and sired by Goodfellow, Custom Built and two Bobendrier rams. We also will have yearling rams and ram lambs in the spring sales or at the farm.

Our plans are to have an on-line auction April 20 & 21, 2010.

You may view these sheep on-line, visit the farm any time this spring or be with us the 21st for the closing day of the auction. We can help you arrange transportation to upcoming sales for your purchases. (The Ohio Showcase would work out great)!!!

Bidding will close on April 21st at 8:00pm edst.
